School Parliament

Election Day was a great success with all the children voting democratically for who they wanted to represent them in our new School Parliament.

Representatives for each department have been chosen. More news to follow as they undertake their new roles.

Outdoor Learning Week

This week we have experienced the first of this year's themed weeks and it has been fantastic! Children have had many outdoor opportunities and thoroughly enjoyed the experience.

Commando Joe's

An elite instructor from this fantastic team has been into school to help our children realise their potential through the teaching of character education and British Values. The children had to make it across 'the river' using teamwork and communication.

Autumn Sculptures

Children from years 2-4 have ventured into the school grounds using teamwork and creativity to create autumnal structures using natural materials.

Planting

Year 6 planted daffodils to show their awareness of World Mental Health Day. Thank you to everyone who wore yellow and showed their support.

Orienteering

Year 1 & 2 enjoyed testing their orienteering skills on a dinosaur hunt.

Mindfulness

Year 5 have been increasing their awareness of mindfulness by sketching and appreciating the beauty of nature.

"It was really fun. We had to work as a team, figure things out and problem solve." Adam Y4

"I liked how it was like a treasure hunt. It was very exciting." Jessica Y2

"We learnt about an artist – Andy Goldsworthy – and tried to recreate his artwork using natural resources. It was fun because it involved art and the outdoors." Munim Y6
