## Building Works

Building works are due to be commencing soon. We are excited to be gaining two new reception classes and a nursery. We will keep you posted about when works are due to start.

## E-safety

#Ditto is a free online safety magazine designed to keep you up to date with risks, issues, advice and guidance related to keeping children safe online with a view to enjoying and learning about technology.

## Reading

At Ledger Lane, we strive to promote, develop and nurture a love of reading throughout our school.  Over the past few weeks, we have had a visit from our Patron of Reading – Conrad Burdekin – who has been into every class sharing some of his favourite books and reading stories. We have recently been selected to take part in the Young Quills Award 2019 – a historical, fiction competition – where children get to read and review a selection of books. We also look forward to celebrating National Storytelling Week with a visit from a published children's author: Saviour Pirotta.

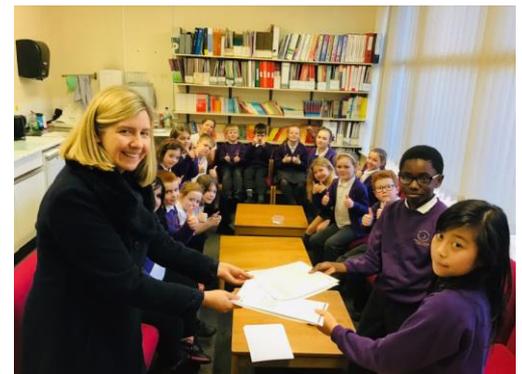

*"Conrad is fantastic at reading stories. He makes you want to listen."* Jessica Y1/2

*"I really enjoyed Conrad's visit because he read part of a brilliant story which I now want to read. He also read some brilliant riddles which made us all laugh and he just made the day a lot of fun."* Lucy Y6

## Road Safety Petition

Thank you to everyone who signed the petition to improve road safety outside our school. Last week, School Parliament met with Andrea Jenkyns to hand over the petition. This will now be handed in to both the Council and the Houses of Parliament. We look forward to sharing the outcome with you.

*"I'm excited to see if we can get a device outside our school to help save lives."* Nathan Y2

## National Maths Competition

A huge well done to the children who took part in the NRICH National Young Mathematicians competition. Although they have not made the finals, they demonstrated fantastic cooperation and resilience when completing their challenges and we are very proud of their achievements.

*"We had to co-operate to complete various challenges. Although we did not make it through to round 3, I loved taking part!"* Asma Y5
