March 28th Curriculum Talent Awards
April 2nd Parent Consultations
April 3rd Parent Consultations
April 5th Break up

Reading

At Ledger Lane, we are working hard at developing and nurturing a love of reading. We would really appreciate your help to encourage children to read at least three times a week, more if possible! Teachers check planners on a weekly basis to ensure every child is reading at home.

The funds raised from our school Readathon have gone towards updating our school library; creating a greater range of exciting books for children to choose from.

Internet Safety

The aim of Safer Internet Day is to encourage everyone to use technology responsibly, respectfully and safely. The focus of this year, was the theme: 'Together for a better internet'.

The E-safety Officers led a fantastic whole school assembly focussing on the term 'consent' and children were encouraged to explore how they ask, give and receive consent online through friend requests; sharing images and managing their privacy settings. Please follow the link below to find out more information about staying safe on the internet.

British Values Week

We have had a fantastic time this week throughout school developing and embedding our understanding of British Values. Mr Leonard visited 2/3ES, 3/4AFKW and 4CK and taught them all about Mary Seacole and linking into the value of mutual respect.

Mr Nicholson visited 6LE and 6BK to discuss mutual respect through disability sports and linked this with resilience.

Miss Mahmood came to educate 1KM/HH, 1/2WP and 2CP all about Islam. She discussed the British value: tolerance of different faiths and beliefs. The children learnt about being respectful to everyone regardless of faith, culture or religion.

"E-safety day went exceptionally well because everyone learnt a lot about being safe on the internet and took part in all the challenging activities we provided for them." Elizabeth, Lola and Jake Y5, E-safety Officers.

"It was good because I didn't know about Mary Seacole until he told us. He also explained British Values really well." James Y3

"Whether you are disabled or not, there is nothing you can't do!" Casey Y6

"I liked it when we were shown the clothes that Muslim's wear." Haadi Y1
