Education Business Awards

Ledger Lane has won the Education Business Award for Outstanding Progress in the Primary School Category. We are extremely proud of our children, staff and academy. Thank you for your continued support.

Curriculum Talent Awards

A fantastic opportunity to celebrate the many different interests of all the children. Congratulations to all who were nominated and the winners of each subject.

Primary Shine Event

Over 200 pupils took part in a collaborative Primary Shine event at Sheffield Octagon Centre. The children performed beautifully and were a credit to our academy.

Sports, Health & Well-being Week

We have had many different activities taking place this week to educate children about the importance of being physical, keeping healthy and maintaining a positive mind-set.

The children have experienced yoga and talked about its many benefits, such as becoming more flexible and reducing stress. Mrs Waddington has completed activities across school, including an outdoor picnic, to develop the children's awareness of themselves and the world around them, highlighting the importance of their own mental well-being. Mrs Kemp has held a fun and energetic dance aerobics session across school to encourage children to stay fit and healthy.

Furthermore, the Cycleathon was a huge success with children smashing the challenging distance to reach Scarborough and completing an amazing total of 128 miles! Thank you to everyone for sponsoring the event, we raised an outstanding total of £610.

Goodbye Year 6!

Goodbye to our fantastic, hardworking, funny, talented Year 6 children! What a busy and amazing year they have had. We are sad to see them go, but know they are ready for their next great adventure. Good luck everyone!
