## World Book Day

Here at Ledger Lane we love reading, and what better way to share our enthusiasm than on World Book Day! A huge thank you and well done to all the children and adults for their fantastic character costumes. An amazing amount of effort was provided by all. Throughout the day, the academy buzzed with an irresistible enthusiasm for books.

We really enjoyed welcoming both authors, Conrad Burdekin and Malcolm J Hogan into school. Their interactions with the classes; passion for reading and writing and general enthusiasm leave our children inspired and eager to engage more deeply with books.

We were delighted to have so many entries in the 'Book Jacket' competition. Our dedicated Reading Ambassadors took on the difficult challenge of choosing the winner. Because the quality and participation was so high, they settled on a winner in each class.

## School Sustainability

Recently, members of our Department of Energy Saving have visited South Kirkby Household Waste and Recycling Centre to learn more about sustainability and the importance of recycling.

The visit built upon the recent Outwood Sustainability Summit held earlier this year, where we discussed how to make our academies more climate friendly. Further to this, our Climate Change Club have chosen to take part in the crisp packet recycling initiative.

*"I really enjoyed when Malcolm came to visit because he inspired me to create my own book character."* Erin, Y3

*"It was exceedingly difficult to judge the large range of potatoes that were entered. They were really impressive!"* Kobby, Reading Ambassador, Y5

*"It was really fun at the recycling centre. We learnt all about which things should go in which bins and what items can be recycled."* Jacob, Y5
