Safe and Well

We hope you are all staying safe and well. We are working with the detailed guidance from the government on how best to operate once open again, rest assured that we will continue to have the highest regard to your child's health and safety. In the meantime we are working to develop the most sensible solutions. We all have lots of questions at the moment and not enough answers and we thank you for your cooperation, patience and continued support.

Jacob (Y5) has designed this fantastic dream catcher to catch all the negativity and promote positivity.

SATs Week

As we come to what should have been the Y6 SATs week, we want to acknowledge all the hard work and efforts made by all the Y6 children.

We are incredibly proud of all your achievements this year.

YEAR 6

Class of 2020

To 6LE,
As SATs week arrives it is not quite the same.
The tests that were printed this year never came.
The displays are still up, walls full of Maths 'rules',
But Year 6 is very different, at present, in schools.
For some of you, happiness, lots of relief,
For others a sigh of pure disbelief.
That you worked really hard in advance of this week,
Expected and Greater Depth marks you did seek.
Algebra, fractions, the times table drills,
Inference, retrieval, in-depth reading skills,
Past, present, progressive...and all the other SpaG,
You've practised and mastered them - you had it in the bag!
Fear not though, the SATs, yes, they won't happen this term,
But remember tests don't measure everything you learn,
Primary subjects are varied, you've always tried your best,
And many of those skills that you've gained can't be defined by a test.
So here at Ledger Lane, you've made us so proud,
We sit here with pride and we shout this out loud...
Year 6 you amaze us, you've come incredibly far...
And we don't need a test to see how amazing you are!
