Safe and Well

We hope everyone is staying safe and keeping well while at home.

On Monday 8th June we welcomed our Reception children back into school. We are so proud of their fantastic attitudes and approach to the new school routines. If your child is in reception or Y1 and has not yet come back to school, please contact us if you would like your child to return. Thank you for your continued support with home learning and patience and cooperation as we begin to open our school to a wider range of children.
