

July 2020

Dear Parents/Carers,

Although the academy is operating very differently at the moment, we are continuing to finalise our plans for the new academic year. Part of this planning includes organising the children's class groupings for 2020/21.

Under normal circumstances we would have a transition day where your child would visit their new class to work with their new teacher. Unfortunately, due to the government guidance on how schools need to operate at this time, this will not be possible.

We have organised classes for next year and are doing so on the assumption that all children will return to an identified class with a teacher specifically for that class. I am pleased to inform you that next year your child will be in Class 6MB and their class teacher will be Miss Bedford. Please log on to our website visiting the Covid-19 tab, to watch a short introductory video into Y6.

The children will be remaining within the same class grouping as they have during Year 5. These class groupings have been carefully considered and I am sure that you will appreciate that the organisation of this at a time of uncertainty has taken some time. If you do wish to discuss this further you will need to contact the school office as we are currently not able to accept visitors to the school site without an appointment.

Kind regards,

Mrs R Skirrow
Principal
